

MINTernship Inclusive: Preparing your application

Questionnaire for students with disabilities applying for the Mobility Program MINTernship Inclusive

We need the following information from you in order to be able to check whether the conditions on site are such that you can complete your internship abroad without major difficulties. Please consider what kind of support you are currently receiving from your environment (family, fellow students, university, other organizations) to help you study in the best way possible. Please feel free to answer as detailed as possible. The information will be treated confidentially.

For more detailed questions, we will get in touch with you. **Many thanks!**
